

INFORMATION BULLETIN

WORKFORCE INVESTMENT ACT

Number: WIAB05-62

Date: January 24, 2006
Expiration Date: 6/30/06
69:176:jw: 9765

TO: WORKFORCE DEVELOPMENT COMMUNITY

SUBJECT: JTA SYSTEM VERSION 4.36 RELEASE

The purpose of this information bulletin is to inform you that the Workforce Investment Division (WID) will release the Job Training Automation (JTA) System Version 4.36 on the weekend of January 27, 2006. This release includes a few changes to the Print WIA Client Action Report and a new extract begin date for the Extract WIA Data (XWID) process. For more information on the monthly participant reporting changes please refer to the Monthly WIA Individual Participant Data Process Changes, Information Bulletin WIAB05-59 released on January 11, 2006. The JTA system software will be available beginning Monday, January 30, 2006. A detailed description of the software changes is attached.

Note To Timeshare JTA System Users—This release will be installed over the weekend. Please do not access your system from Friday, January 27, 2006, at 6 p.m. through Monday, January 30, at 8 a.m.

Note To Standalone JTA System Users—The release files will be available on Wednesday, February 1, 2006, on the FTP site at endor.jta.edd.ca.gov and on the timeshare server at jta.cahwnet.gov.

The new programs and enhancements are a result of program requirements and calls made to the JTA Help Desk.

Should you have any questions regarding this JTA system release, please call the JTA Help Desk at (916) 653-0202.

/S/ BOB HERMSMEIER
Chief
Workforce Investment Division

JOB TRAINING AUTOMATION (JTA) SYSTEM VERSION 4.36

WIA System

Programs Modified

Log #5968 EWIF (Enter WIA Follow-Up Form)

Fixed program to display complete records on choice list.

**Log #6171 EWIG (Enter Workforce Investment Goals)
LWIG (Load Workforce Investment Goals)
XWID (Extract WIA Data)**

Fixed program to require the WIA Goals form to look at the WIA Enrolled client's age instead of the client's age reported on the Application.

**Log#5865 EWIR (Enter WIA Application Form)
LWIR (Load WIA Application Form)
#6187 PWIR (Print WIA Registration Form)**

Added field is # 91 on form, "Client's E-mail address".

Log #5885 PWCAR (Print WIA Client Action Report)

Added the Staff ID option on report. This new option will allow local staff to run report for their respective clients.

Log #5994 PWCAR (Print WIA Client Action Report)

Modified program to display youth that have all goals completed, passed their anniversary, are not exited, and do not have a new goal opened for the current year.

Log #6177 XWID (Extract WIA Data)

Added an edit that consists of a new extract begin date for monthly participant reporting. The new date will be calculated by subtracting nine quarters from the beginning of the current program year. Clients who have exited up to nine quarters before the beginning of the program year will be transmitted to the state for participant reporting. For example, Program Year 2005–06, only exiters with exit date greater or equal to 04/01/2003 are extracted. Non-exiters will also be included in the participant report. Older exiters will be retained on both the local and state sides, but records will no longer be updated.

Log #6058 XWID (Extract WIA Data)

Added new programming to delete any pre-existing temporary files for XWID process prior to beginning the XWID run. This change will prevent errors if prior run was interrupted before successful completion.

Log #6166 LWIR (Load WIA Application Form)

Modified program to require the same fields as those on the EWIR form at the time of loading data to the JTA system.

Log #6210 XLWCP(Extract and Calculate Local WIA Common Performance)

Fixed program to correct several program errors that were generated at the time of running extract report.

Scripts

Two scripts to update the rept_cd_descrpt and scrn_cd_descrpt table. Deleted old JTPA and WtW items and populated tables with new WIA d_ tables.

Data Base Changes**Addition to the WIA Application Table:**

Added email_adrs before er_num
